

# Education

Learning institutions and their providers have unique connectivity needs. Cologix is home to six of North America's top public Internet exchanges, and also provides access to all of the networks utilized by education organizations.

## COLOGIX BENEFITS

- Connections to non-profit Internet exchanges & eRate network providers
- Lower network expenses via broad carrier choice & low switching costs
- Superior access to research networks & peer institutions
- Reliable backup & disaster recovery solution
- Secure, technology-forward environment where service providers & customers meet
- Retain control in a safer environment while freeing up IT staff to focus on core competencies

## EDUCATIONAL ORGANIZATIONS THAT TRUST COLOGIX
