Corporate Fact Sheet

QUICK FACTS:

- 1,600+ Customers
- 450+ Unique Network Choices
- Thousands of Interconnections
- 24 Data Centers
- 9 Markets

Cologix provides reliable, secure, scalable data center and interconnection solutions from 24 prime interconnection locations across 9 strategic North American edge markets. Over 1,600 leading network, managed services, cloud, media, content, financial services and enterprise customers trust Cologix to support their business critical infrastructure and connect them to customers, vendors and partners. Our dedicated, experienced local teams and scalable solutions enable us to provide industry-leading customer service and the ability to successfully support customers at the Internet's new edge. For a tour of one of our data centers in Columbus, Dallas, Jacksonville, Lakeland, Minneapolis, Montreal, New Jersey, Toronto or Vancouver visit www.cologix.com or email sales@cologix.com.

We are focused:

We are 100% focused on network neutral interconnection and colocation, which we believe delivers the best results for our customers.

We are easy to do business with:

We are committed to supporting and earning our customers' business every day. Our local teams rapidly respond to customers' need and continue to meet our stringent SLAs and maintenance standards. Our goal is a simple and hassle-free user experience.

We are connected:

Our Meet-Me-Rooms offer massively scalable, direct access to a platform of more than 350 networks through our strategically located network neutral facilities.

We provide local support:

While we meet growing demand for network neutral interconnection and geographic diversity, we believe customers are best supported locally. We offer direct access to local teams to enable strong customer partnerships backed by exceptional operational support and superior customer service.
