The Cologix Channel Partner Program is the data center industry's premier and comprehensive indirect channel program.

As a Cologix Channel Partner, you'll be able to earn commission by selling data center products and services.

Cologix focuses on Infrastructure and Connectivity. Our guiding philosophy is to provide a neutral environment – **we do not compete with our partners or customers.**

We'll provide you with sales and marketing tools you need to quickly and seamlessly integrate Cologix's products and services into your existing sales process.

Cologix provides one of North America's largest neutral marketplaces where network operators and network buyers interconnect. We provide custom solutions in our secure, reliable data centers and provide direct access to local teams who ensure your needs are met.
