

Cologix in Downtown Band Zero MTL 1: 625 René-Lévesque West

Cologix's entry-level data centre at 625 René-Lévesque West in downtown Montréal is in a Band Zero zone for Bell Canada tariff rates. As Montréal's leading neutral colocation provider, Cologix maintains approximately 100,000 SQF spanning seven data centres throughout the city, including Montréal's only carrier hotel. Cologix continues to build on the 10-year legacy in Montréal as the city's leading carrier neutral colocation provider with the most carriers available.

The Top Connectivity Provider in Montréal

Cologix provides customers with buying power via direct interconnection to 30+ unique networks in the on-site Meet-Me-Room (MMR) and 75+ networks across Cologix Montreal facilities via Metro Connect.

Relentless Infrastructure

The uniquely efficient design facilitates rapid power deployments and the ability to dynamically cool equipment specific to the needs of individual cabinets.

Certified & Secure

The data centre technical floor is guarded 24/7 by keycard access and closed-circuit TV (CCTV) systems. The Cologix Montréal facility also supports PCI compliance on an individual basis.

Dynamic Customer Support

All customers have direct and 24/7 access to seasoned local engineers and support teams, in addition to a web-based portal for online technical support ticket submissions. Local Cologix technicians leverage the Cologix Command data centre infrastructure management (DCIM) platform to continually monitor service to ensure business continuity, alerting customers with options when nearing capacity.

Why Cologix Montréal?

Cologix is Montréal's longest serving and most reliable network neutral data centre provider. Over the past 10 years, Cologix has built a robust community of providers offering network and cloud services, which provide choice and buying power to enterprise customers. No other provider can offer the connectivity choice and access to the Montréal Internet Exchange (QIX). In addition, Cologix's platform of seven data centres across Montréal offers a facility to meet each customer's unique needs.
