NNJ 1: PARSIPPANY, NEW JERSEY DATA CENTER
1719 NJ ROUTE 10 #111, PARSIPPANY, NJ 07054

Cologix's NNJ 1 data center fulfills the diverse infrastructure needs of our customers through an array of data center services ranging from Colocation, Cloud and Managed Services. The NNJ 1 data center is ideal for small and medium sized IT solutions, and offers colocation space by the rack, half cabinet or full cabinet. The facility features redundant power supply, network connectivity, rigid security and access controls, efficient cooling systems, fire suppression systems and a round-the-clock security team. This location also offers amenities such as disaster recovery office space and a cafeteria.

High Density Colocation

Our 20 kW per cabinet solutions breaks the industry standard power cap of 4 kW, allowing you to get more efficient use out of your colocation space. This allows you to consolidate multiple cabinets of older servers into a reduced footprint, freeing existing cabinets for growth or cage consolidation.
